### **OPERATING REPORT**

The Branch Executive (Committee of Management) of the Independent Education Union of Australia – Queensland and Northern Territory Branch presents its report for the period ended 31 December 2015.

### **Review of Principal Activities and Results**

The principal activity of the Branch during the year was that of a branch of a registered union of employees. Those activities included, but were not limited to:

- Recruitment and retention of members:
- Provision of support and advice to members;
- Provision of support for overseas activities such as ongoing support for the Council of Pacific Education and the Shanghai Union Relationship;
- Provision of support for the federal union agenda in education, equity and industrial issues.

The Branch's principal activities resulted in:

- Maintenance and improvement of wages and conditions of employment for our members, especially those covered by collective bargaining agreements negotiated by our union;
- Growth of our solid membership base in Queensland and the Northern Territory, demonstrating member satisfaction of the support and advice currently provided to them; and
- Enhancement of our developing relationship with overseas organisations.

There were no significant changes to the nature of the Branch's activities during the year.

### **Significant Changes in Financial Affairs**

On 1 September 2015 the Branch assumed responsibility for all expenses in relation to providing services to members and for collecting membership subscription revenue.

## Right of Members to Resign

### COMMITTEE OF MANAGEMENT STATEMENT

On 13 March 2016, the Committee of Management (Branch Executive) of the Independent Education Union of Australia – Queensland and Northern Territory Branch passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 31 December 2015.

The IEUA-QNT Branch Executive declares that in its opinion:

- (a) the financial statements and notes comply with Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager of the Fair Work Commission;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the committee of management were held in accordance with the rules of the organisation and the rules of the Branch; and
  - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation and the rules of the Branch; and
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - (iv) the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act, that information has been provided to the member or General Manager; and
  - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) no revenue has been derived from undertaking recovery of wages activity during the reporting period.

This declaration is made in accordance with a resolution of the Committee of Management.

Date: 14 March 2016

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 1.1 Basis of Preparation of the Financial Statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, the Independent Education Union of Australia Queensland and Northern Territory Branch is a not for profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities at measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

### 1.2 Comparative Amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

## 1.3 Accounting Judgements and Estimates

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

### (a) Critical Accounting Estimates and Assumptions

The Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

### (b) Critical Judgements in applying the Branch's Accounting Principles

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

### 1.4 New Australian Accounting Standards

### **Adoption of New Australian Accounting Standard Requirements**

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

### 1.4 New Australian Accounting Standards (cont'd)

### **Accounting Standards Issued But Not Yet Effective**

There have been no accounting standards issued which will have a financial impact on the financial report in future periods and which are not yet effective.

#### 1.5 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Donation income is recognised when it is received.

Interest revenue is recognised as received.

### 1.6 Affiliations, Capitation Fees and Levies

Affiliations, Capitation Fees and Levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which they relate.

### 1.7 Employee Benefits

As outlined in Note 9 the Queensland Independent Education Union provided staff and administrative services to the Independent Education Union of Australia - Queensland and Northern Territory Branch for the period 1/1/15 - 30/6/15. These costs were reimbursed by the Branch as incurred.

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 Employee Benefits) which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the branch in respect of services provided by employees up to reporting date.

### 1.8 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 4 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

### 1.9 Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

## 1.10 Office Furniture, Equipment and Vehicles

### **Asset Recognition Threshold**

Purchases of office furniture, equipment & vehicles are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

### **Depreciation**

Depreciable office furniture, equipment & vehicles are written off to their estimated residual values over their estimated useful life. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

	2015	2014
Office Furniture and Equipment	5 to 10 years	5 to 10 years
Motor Vehicles	5 years	-

### Derecognition

An item of equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

### 1.11 Impairment of Financial and Non-Financial Assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Branch were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

For certain categories of financial assets such as trade receivables where there is impairment noted the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectable it is written off against the allowance account.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

### 1.12 Taxation

The Union is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997, however still has obligation for Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

### NOTE 9A RELATED PARTY DISCLOSURES

(i) Under the Rules of the Independent Education Union of Australia, QIEU is an Associated Body. Rule 7(e) provides for the payment of an approved amount by an Associated Body to the union or branch of the union designated by the Federal Council or Federal Executive. This is calculated by reference to the total number of members of the Associated Body who have applied for membership of the union in the Branch designated by the Federal Council or Federal Executive.

The Queensland Independent Education Union (QIEU) also provided staff and administrative services to the Independent Education Union - Queensland & Northern Territory Branch for the period 1/1/15 - 30/6/15. A collaborative relationship exists between QIEU and IEUA and it is noted and endorsed at Branch executive that QIEU provides staffing and other support to members of the Queensland and Northern Territory Division at an appropriate and agreed cost to the IEUA - QNT.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

### NOTE 9A RELATED PARTY DISCLOSURES (Cont'd)

The councillors and the executive of the Queensland Independent Education Union are all members of the Independent Education Union - Queensland and Northern Territory Branch, Branch Executive and Management Committee respectively.

(ii) During the year, QIEU Council and IEUA-QNT Branch Executive determined that the industrial operations of the Queensland Independent Education Union (QIEU) should transition to the federally registered Branch of the Independent Education Union of Australia – Queensland and the Northern Territory Branch (IEUA-QNT) prior to the Fair Work Commission's withdrawal of transitional recognition provisions on 1 January 2017. As a consequence, staff of QIEU were administratively transferred to IEUA-QNT effective 1 July 2015 and membership fees became payable to IEUA-QNT from 1 September 2015. This operational change has been effected at this time to enable an orderly and efficient transition of services and financial management prior to the legislated end of transitional recognition of QIEU.

This transition has necessitated the transfer of certain income and expenditure from QIEU to IEUA-QNT. To this end the following financial transactions should be noted:

- On 1 July 2015 QIEU transferred employee liabilities of \$1,517,307.67 to IEUA-QNT together with a cash payment of \$1,517,307.67 for those liabilities.
- QIEU acknowledged a liability to IEUA-QNT of \$1,129,378.39 for employee salaries, wages and other expenses for the period 1 July 2015 to 31 August 2015 to be settled post balance date.
- QIEU acknowledged a liability to IEUA-QNT of \$860,130.91 representing prepaid and unearned membership revenue covering fees applicable for the period 1 September 2015 to 31 December 2015 to be settled post balance date.

### **Terms and Conditions of Transactions with Related Parties**

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 December 2015, the Branch has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2014: \$Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

### NOTE 11 FINANCIAL RISK MANAGEMENT

### (a) General Objectives, Policies and Processes

The Branch is exposed to risks that arise from its use of financial instruments. This note describes the Branch's objectives, policies and processes for managing those risks and the methods used to measure them.

There have been no substantive changes in the Branch's exposure to financial instrument risk, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

The Branch's financial instruments consist mainly of deposits with banks and receivables. The main risks the Branch is exposed to through its financial instruments are interest rate risk (see section (e) below), liquidity risk and credit risk.

The Committee of Management has overall responsibility for the determination of the Branch's risk management objectives and policies.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

#### NOTE 11 FINANCIAL RISK MANAGEMENT (CONT'D)

#### (b) Credit Risk

Credit risk is the risk that the other party to a financial instrument will fail to discharge their obligation resulting in the Branch incurring a financial loss. This usually occurs when debtors fail to settle their obligations owing to the Branch.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provision for doubtful debts, as disclosed below:-

	2015 \$	<b>2014</b> \$
Cash and Cash Equivalents	2,233,258	1,063,366
The cash and cash equivalents are held in a high quality Austr	ralian financial institution.	
Trade & Other Receivables	1,990,865	11,844
Total receivables	1,990,865	11,844

There has been no history of default and all receivables are expected to be repaid within the arranged terms.

### (c) Liquidity Risk

Liquidity risk is the risk that the Branch may encounter difficulties raising funds to meet commitments associated with financial instruments. The Branch is not significantly exposed to this risk; as at 31 December 2015 \$2,233,258 of cash and cash equivalents were held to meet these obligations as they fall due. Financial liabilities at 31 December 2015 totalled \$1,903,684. The Branch manages liquidity risk by monitoring cash flows.

### (d) Market Risk

Market risk arises from the use of interest bearing, tradable financial instruments. It is the risk that the fair value or future cashflows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk) or other market factors (other price risk).

### (e) (i) Interest Rate Risk

The Branch's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and liabilities are summarised below:

### INDEPENDENT AUDIT REPORT

To the members of the Independent Education Union of Australia Queensland and Northern Territory Branch.

We have audited the general purpose financial report of the Independent Education Union of Australia Queensland and Northern Territory Branch, which comprises the statement of financial position as at 31 December 2015, and the statement of comprehensive income, statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes and branch committee of management's statement for the year then ended.

# Branch Committee of Management and the Branch Secretary's Responsibility for the Financial Report

The branch committee of management and the branch secretary of the Branch are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009. This responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the branch committee of management and branch secretary, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### INDEPENDENT AUDIT REPORT

### Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies and the Fair Work (Registered Organisations) Act 2009.

### **Audit Opinion**

In our opinion, the financial report presents fairly, in all material respects, the financial position of the Independent Education Union of Australia Queensland and Northern Territory Branch as at 31 December 2015, and its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

As part of our audit of the financial statements we have concluded that Management's use of the going concern basis of accounting in the preparation of the financial statements for the year ended 31 December 2015 is appropriate.
