This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, and the requirements of the Fair Work (Registered Organisation) Act 2009 and associated Regulations 2009.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.
