Dear Mr Rider

Re: Feedback on QCAA Strategic Plan 2019-2023

Thank you for the opportunity to provide feedback on QCAA's 2019-2023 Strategic Plan. We have reviewed the document and believe it is, overall, sound.

We do however, question the listing of "Satisfactory implementation of new QCE system 2019-2020" in the "Measures" section of page two. While we certainly agree that successful implementation of the new system should be a core goal, we would ask how successful implementation might be measured, noting that other listings in this section refer to quantifiable outputs (e.g. number of online interactions with curriculum, assessment and reporting tools, participation in professional learning programs).

In this context, we urge QCAA to revise the relevant section to refer to a quantifiable output.

We look forward to working constructively with QCAA as the organisation implements its 2019-2023 Strategic Plan.

Yours sincerely

TERRY BURKE
