

SENIOR LEADER AWARD

The Senior Leader award has been established to recognise the outstanding contribution made by a union member who holds a senior leadership position at a workplace and who is a tireless advocate for union issues, on behalf of their colleagues. IEUA-QNT established the Senior Leader Award in 2020 and is calling for nominations for 2022.

Today's senior leaders in our workplaces face daily challenges from any number of fronts and their ability to plan, strategise, team build and develop leadership opportunities for others is central to their effectiveness as a senior leader. It is these skills that contribute to a collective union culture. An effective senior leader knows inherently that connecting and consulting with staff, taking on feedback, thinking creatively to resolve an issue, just to name a few, promotes a positive working environment.

This award provides the opportunity for all members of IEUA-QNT to recognise the outstanding efforts of school leadership employees who are engaged and active in their chapter's union leadership.

If you know a Senior Leader who has made an outstanding contribution as a unionist, we invite you to nominate your colleague for the Senior Leader Award for outstanding contribution as a unionist, in a senior leadership role.

Examples of activist activities might include:

- promoting union led initiatives at the workplace;
- engaging in the consultative mechanisms at the College (however so organised and described at the local level);
- participation in union activities such as meetings, protests, rallies, campaigns, professional development and training;
- disseminating of union information;
- promoting awareness of Agreement and/or Award conditions;
- pursuing accurate role descriptions and/or classification for colleagues;
- ensuring Agreement/Award conditions are promoted;
- participating in enterprise bargaining negotiations and the single bargaining unit (SBU); and
- involvement in school workplace policy development/revisions/updates as needed.
