## 1. RATIONALE

The provision of industrial services is a core function of the IEUA-QNT. The IEUA-QNT is committed to delivering quality industrial advice, assistance and advocacy to financial members seeking assistance with matters arising directly from their employment.

This policy is to be read in conjunction with the *IEUA-QNT Legal Assistance to Members External Policy Statement*, and the *IEUA-QNT Industrial Services to Members – Member Guidelines*.

## 2. PURPOSE

The purpose of this policy is to outline the level of advice and representation provided to new members and un-financial members who are seeking to access industrial services in relation to workplace issues which arose prior to becoming a financial member or while the person was un-financial.

## 3. POLICY STATEMENT

**3.1** You must be a current financial member of IEUA-QNT before you can access Industrial Services. Non-members and un-financial members are ineligible to access industrial services.

**3.2** Industrial services are not retrospective. You are not eligible to access Industrial advice or representation for pre-existing matters.

**3.3** A ***pre-existing matter*** is any action or any set of circumstances occurring, or becoming evident, prior to the commencement/reinstatement of financial

membership of IEUA-QNT and includes any consequential issues/matters arising after the commencement / reinstatement of financial membership.

*[For example, in the case of a member subject to an unsatisfactory performance process, the matter would be regarded as “pre-existing” if the alleged concerns occurred prior to the commencement of financial membership, even if the formal process was initiated afterwards.]*

- 3.4** A person who was either a non-member, or an un-financial member, at the time that the relevant events occurred, and subsequently becomes a financial member may receive general advice in relation to those pre-existing matters from IEUA-QNT’s Industrial Team.
- 3.5** General advice is/includes: brief advice in relation to the broad rights and/or avenues which may be available to the member and the provision of IEUA-QNT Information Sheets which may be of assistance.
- 3.6** To be eligible for assistance in workplace matters requiring legal representation, members must be financial, and must have been financial prior to the date on which the issue arose, consistent with Clause 4 of the *IEUA-QNT Legal Assistance to Members External Policy Statement*.

#### **4. APPLICABILITY**

This policy applies to all persons who fall within the IEUA-QNT constitutional coverage.

#### **5. DEFINITIONS**
