

# YARNING CIRCLE

Our union is committed to working with First Nations activists to support the dissolution of systems, structures and practices that have repeatedly failed to deliver equity and social justice to First Nations Peoples and communities.

Our third Reconciliation Action Plan (RAP) commits us to work collaboratively with First Nations Peoples and communities to achieve this with a more respectful framework.

This includes asking employers to commit to professional pay and conditions for First Nations workers in non-government schools as part of our *Closing the Industrial Gap* campaign.

We invite IEU First Nations members to attend our regular Yarning Circles, held once per Term. You can attend in person or virtually via Zoom and meet like-minded colleagues from across Queensland and the Northern Territory.
