QuEST offers a range of programs, including face-to-face, live online and on-demand programs.

As a not-for-profit initiative, QuEST aims to keep professional development affordable and operates on a cost recovery basis.

Affordable subscriptions are available for QuEST's online and on-demand programs.

Programs delivered by QuEST are recognised as legitimate professional development by the Department of Education and Queensland College of Teachers. As such, it is appropriate to apply for release and funding (face-to-face programs) or funding (online courses) through your normal school professional development processes.

### ONLINE TRAINING

QuEST also offers online course programs, with a range of high quality, low cost, live web-based professional development programs. We also have a variety of on-demand web based courses available.

These programs cover a range of topics such as classroom management, high quality teaching practice, supporting beginning teachers, teacher wellbeing and quality leadership.

Presenters are experienced educators from across Australia, with highly trained facilitators supporting each session. These programs are ideal for temporary teachers who may find it difficult to complete mandated professional learning hours.

### TAILORED PROFESSIONAL DEVELOPMENT COURSES

#### Do you need PD at your school?

QuEST works collaboratively with school leaders to offer a range of tailored PD options to suit the needs of an individual school, or cluster location - building the capability of teachers, leaders, and teacher aides.

Contact the QuEST Team for more information about how we can meet your individual school needs.
