The value of IEU-QNT membership

The Independent Education Union – Queensland and Northern Territory Branch (IEU-QNT) comprises over 17,000 teachers, pre-service teachers, school support staff, principals, early childhood education professionals and other employees in the non-government education sector.

IEU-QNT members understand the difference union membership makes to their careers, at work and across the education profession.

Our union has been instrumental in securing critical improvements to working conditions.

The more members actively participating in our union, the more influence we can have to negotiate effectively and ensure we have a greater voice at work.
